

In ancient times, the library of Alexandria was said to contain up to 70% of all human knowledge. The challenge for the digital age is to do even better than that – and make the result last longer.

[Europeana](#) enables people to explore the digital resources of Europe's museums, libraries, archives and audio-visual collections. It promotes discovery and networking opportunities in a multilingual space where users can engage, share in and be inspired by the rich diversity of Europe's cultural and scientific heritage.
